

Stacey Howington
Bankruptcy # 20-12356-ELF

Please do not dismiss this
bankruptcy due to extenuating circumstances.

I will be completely caught up
and back on track by the last
day of March. I will Not miss
another payment.

My Son and his girlfriend were
lost to the opiate epidemic.
I had to take in my 3 grandchildren.
It took sometime for subsidized
child care and help to get started.
I am now able to get caught
up and back on track. I will
Not miss another payment.

Please this house is the only
consistent thing the kids and
I have. I will Not miss
another payment.

Thank you for your time.
